Discussion Points

- Why get the most out of your mainframe investment?
- Innovation at illustro – a "History of Firsts"
- New technology preview for IBM/GSE

Copyright © 2009 illustro S

Maximize Your Mainframe Investment?...

- Decades of creating value through cash, time, people, training, users
- Alternatives all sounded "sexy", but many realities have been less so
- 2008-2009 created unmatched pressure to do more with less

TCP/IP Critical for VSE Users

- ☑ For most customers it is THE network interface
- ☑ Software and concepts are complicated
- ☑ VSE systems support wears many hats and cannot specialize
- ☑ Can't afford to be down
- ☑ Have tried almost anything to fix problems…
